Fireworks and Pet Safety!

The 4th of July can be a very stressful holiday for our four legged friends. Keep your pets safe and secured during the holiday festivities. Keeping pets inside your home or garage with a TV or radio playing is the safest place for them to be.

A terrified pet can dig, chew or jump out of a yard in record time! Loose and scared pets are in danger of getting lost or injured as they try to escape the noises and smells of fireworks.

HAVE A HAPPY AND SAFE 4TH OF JULY
